

PLATINUM SERIES

Excloosives Platinum Series is the ideal solution for any celebration and event where luxury is at the forefront and you want your guests to be overly impressed. Don't be restricted by location, take the venue with you.

ENTIRELY SELF CONTAINED

The Platinum Unit can be placed virtually anywhere as it is entirely self-contained, meaning it comes with its own water supply so no sewer or mains water connection is needed, it will only require a 15 amp power supply to operate the air-conditioning.

MODERN INTERIOR DESIGN

Illuminated by internal and external coloured LED lighting, spacious cubicles, porcelain toilets with button flush system, raised hand basins, mirrored chrome taps, custom decor furnishings, natural flowers, floating wooden floors and full body length mirrors, this unit is designed to rival hotel facilities.

INCLUDED TOILET ATTENDANT

To service the Platinum and keep the unit in absolute pristine condition for you and your guests, during the hours of your event we will include an attendant at no extra charge to you.

REVERSE CYCLE AIR-CONDITIONING

Guests at your event look forward to having a good time -not feeling miserable in sticky clothes. Or maybe you're wondering if your guests will freeze in that chilly July frost. Excloosives cooling and heating solution will comfort your guests without having any ugly air conditioning ducts ruining the decor and ambiance of your event. Step into our

INBUILT STEREO SYSTEM

With an inbuilt stereo system, you can provide your own favourite music to play in this unit, or why not let us take care of it for you? We can tailor make a playlist to suit your event so that the party never stops even for just a toilet break
